Putting data in the hands of researchers with Hivebench

Lab notebook tool Hivebench will be integrated with Mendeley to help researchers enrich and manage their data Research data is the foundation on which scientific, technical, social and medical knowledge is built. That's why enabling access to, sharing and reuse of data is tremendously valuable to everyone involved in advancing science. Of course, making research [...]

Journal Article

Embedded Data Librarianship: A Case Study of Providing Data Management Support for a Science Department

Wang M, Fong B

Science & Technology Libraries
2015 vol: 34 (3) pp: 228

This case study details how a data services librarian and a science librarian collaborate to provide embedded data management support for the research-oriented Department of Earth & Environmental Sciences at Rutgers University-Newark.
